China upgrade circuit breaker in Ghana

Will China close the infrastructure gap in Ghana? This is particularly true of infrastructure investment in Ghana, as well as other parts of Africa, where closing the "infrastructure gap" will be vital to unleashing growth and development in the coming decades. Compared to other major economies, China has simply done a better job of delivering on major infrastructure investment projects. Is Ghana a good destination for Chinese investment? In conclusion, President Akufo-Addo reiterated that Ghana is an ideal destination for Chinese investment, offering a stable regulatory environment, favourable fiscal policies, and abundant natural resources. He urged Chinese investors to seize the moment, stressing that Ghana's doors are open and its markets are ready for meaningful partnerships. How much money did China invest in Ghana in 2019? In 2019, funding shrank to less than GBP820 million. Even in the era of "small is beautiful," China remains one of the most active investors in Ghana, with a total of 16 projects worth GBP98 million so far in 2019 according to Ghana Investment Promotion Centre's Jan to June Half Year Report. How will China's Belt and Road Initiative impact Ghana? As China's Belt and Road Initiative enters its second decade, China's plans have shifted away from expensive infrastructure projects to smaller and more nimble investments. This throws up challenges and opportunities for Ghana, writes Matthew Rochat. Can Ghana become a strategic hub for regional trade and investment? The President highlighted Ghana's potential to become a strategic hub for regional trade and investment, describing the country as a gateway to the continent. Who owns Ghana's foreign debt? In fact, of Ghana's \$29.9 billion foreign debt a larger portion is collectively held by members of the Paris Club of creditors such as the United States, the United Kingdom, France (GBP1.64 billion); multilateral lending institutions (GBP7.2 billion); and Eurobond creditors (GBP11 billion). A similar pattern is seen across Africa.
